

Member of National Association of High School Aviation Clubs

KCISD AVIATION CLUB

Karnes City High School Aviation Science/Physics

If you desire to have a career in aviation and flying, join the

KCISD AVIATION CLUB. You will learn flying through ground school education, simulator flight training, and have the opportunity to learn about enrollment in Liberty University's only completely on-line B.S. Science in Aviation Management. The culmination of which you can begin flight lessons at Texas Aviation Academy with locations at the Kenedy Airport. RECEIVE A B.S. DEGREE WITHOUT HAVING TO LEAVE OUR COMMUNITY AND START WORK ON IT TODAY!
